

TURCO[®] FOAM-GO #2

FOAM SUPPRESSANT FOR INDUSTRIAL APPLICATION

DESCRIPTION:

TURCO FOAM-GO #2 is a white emulsion developed to reduce excessive foaming associated with spray washing, air agitated dip tanks and similar industrial applications that tend to generate foam.

TURCO FOAM-GO #2 is not intended for and should not be used in potable water systems, even though it is nontoxic and non-corrosive when used as recommended.

FEATURES:

TURCO FOAM-GO #2 offers these features:

1. Flash point of concentrate is above 105°C, T.C.C.
2. Supplied in liquid form
3. Readily soluble in aqueous solution
4. Used at low concentration
5. Long lasting

USE INSTRUCTIONS:

Add TURCO FOAM-GO #2 to the use solution at a level of 0.05-0.15% by volume. Higher concentrations may be required if foaming is excessive, and lower concentrations may be adequate for less severe conditions.

DISPOSAL INFORMATION:

Dispose of spent solution per local state and regional regulations. Refer to your TURCO MATERIAL SAFETY DATA SHEET for additional disposal information.

WARNING! Causes eye irritation. May cause skin irritation.

TURCO FOAMGO #2 is considered to be relatively nontoxic. However, as for all chemicals, avoid contact with eyes, skin and clothing. Do not take internally. Use with adequate (equivalent to outdoor) ventilation.

Protective clothing, such as a chemical face shield or goggles, gloves made from chemical resistant materials, should be worn when handling TURCO FOAM-GO #2. A NIOSH-approved respirator should be worn during mist conditions.

Keep closed, when not in used, and store away from excessive heat or direct sunlight. Ideal storage temperature is from 5°C to 50°C.

Before using this product refer to container label and TURCO MATERIAL SAFETY DATA SHEET for additional precautionary, handling and first aid information.

NOTICE:

The above information and recommendations concerning this product are based upon our laboratory tests and field use experience with this or similar products. However, since conditions of actual use are beyond our control, any recommendations or suggestions are made without warranty, express or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage or injury, direct or consequential, arising out of the use of this product.
