

TURCO[®] 6646

FAST EVAPORATING SOLVENT

DESCRIPTION:

TURCO 6646 is a clear, colorless liquid formulated for hand-wipe cleaning of metal surfaces prior to bonding and painting.

TURCO 6646 is ideal for cleaning electrical, electronic components, bearings and instruments that cannot tolerate a solvent that leaves a residue.

FEATURES:

TURCO 6646 offers these features:

1. Composite vapor pressure is less than 45 mm Hg as defined by SCAQMD Rule 1124
2. Evaporates rapidly
3. Non-corrosive to ferrous and nonferrous alloys
4. Excellent solvency for oily and aqueous soils
5. Free of chlorinated solvents

USE INSTRUCTIONS:

TURCO 6646 has a Tag Closed Cup flash point of 0°C. All storage and dispensing drums should be grounded by suitable approved methods. All dispensing containers should be made from non-sparking metals.

TURCO 6646 is used at full strength. Apply to metal surface, using clean absorbent cloths or by means of a mist spray. Remove soil residues with clean cloth.

DISPOSAL INFORMATION:

Dispose of spent solution per local, state and regional regulations. Refer to TURCO MATERIAL SAFETY DATA SHEET for additional disposal information.

WARNING! Flammable liquid and vapor

TURCO 6646 contains methyl ethyl ketone and methyl isobutyl ketone. Avoid contact with eyes, skin and clothing. Do not take internally. Use with adequate (equivalent to outdoor) ventilation.

TURCO 6646 has a Tag Closed Cup flash point of 0°C. All bulk containers and dispensing equipment should be grounded by approved methods. Do not use near open flames or other sources of ignition. Do not store near strong oxidizing agents.

Protective clothing, such as a chemical face shield or goggles, gloves, boots and apron should be worn when handling this product.

Empty containers may contain explosive amount of flammable vapors.

Before using this product refer to container label and TURCO MATERIAL SAFETY DATA SHEET for additional precautionary, handling and first aid information.

NOTICE:

The above information and recommendations concerning this product are based upon our laboratory tests and field use experience with this or similar products. However, since conditions of actual use are beyond our control, any recommendations or suggestions are made without warranty, express or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage, or injury, direct or consequential, arising out of the use of this product.
