

TURCO[®] 5948 A-WW

HEAVY DUTY EXTERIOR AIRCRAFT CLEANER/WAX

DESCRIPTION:

TURCO 5948 A-WW is a clear, yellow fluorescent, alkaline compound formulated to effectively clean jet soils, such as synthetic oil films, grease, carbon and exhaust residues from aircraft surfaces, by spraying or mopping methods, while leaving a thin wax film.

TURCO 5948 A-WW will not stain or streak aluminum, and will not attack Plexiglas and well bonded paints. TURCO 5948 A-WW can be used on all aircraft metals.

FEATURES:

TURCO 5948 A-WW offers these features:

1. Nonflammable in concentrate or dilute form
2. Readily soluble in water at recommended concentration
3. Free of chromate, phosphate and phenols
4. Restores paint luster; contains wax
5. Will not attack concrete or asphalt ramps
6. Readily removable from surfaces by mopping

USE INSTRUCTIONS:

EQUIPMENT: Equipment may be fabricated from mild steel or stainless steel. Stainless steel is preferred.

HEAVY DUTY CLEANING: Add TURCO 5948 A-WW at the ratio of 1 part concentrate to 5 parts water. Mix well and apply by spray or mopping. Allow sufficient time for cleaner to work. Water rinse.

CLEAN/WAX: Use TURCO 5948 A-WW mixed 1 part concentrate to 15 parts water. Mix well. Apply by mopping on aircraft surface. Remove by mopping off with a clean damp mop. Work a relatively small area, 1-2 m² at a time, for easiest removal. This "mop on-mop off" method can be employed while the aircraft is in the hangar for other maintenance.

DISPOSAL INFORMATION:

Dispose of spent solution per local state and regional regulations. Refer to your TURCO MATERIAL SAFETY DATA SHEET for additional disposal information.

CAUTION!

TURCO 5948 A-WW contains butyl ether of ethylene glycol and ethanolamine. Avoid contact with eyes, skin and clothing. Do not take internally. Use with adequate (equivalent to outdoor) ventilation.

Protective clothing, such as a chemical face shield or goggles, gloves, boots and apron, made from alkali-resistant neoprene should be worn when handling and using this product. A NIOSH-approved respirator is used if working in confined areas or during mist conditions.

Store in closed containers away from excessive heat or direct sunlight.

Before using this product refer to container label and TURCO MATERIAL SAFETY DATA SHEET for additional precautionary, handling and first aid information.

NOTICE:

The above information and recommendations concerning this product are based upon our laboratory tests and field use experience with this or similar products. However, since conditions of actual use are beyond our control, any recommendations or suggestions are made without warranty, express or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage or injury, direct or consequential, arising out of the use of this product.
