

TURCO[®] 6849-ADD

ADDITIVE FOR AQUEOUS DEGREASERS

DESCRIPTION:

TURCO 6849-ADD is a thin, water-white to light amber, clear liquid formulated to improve the ability of aqueous degreasers, such as Turco 6849 (BAC 5763, Type 2) to effectively clean and emulsify difficult oily soils from aircraft parts.

FEATURES:

TURCO 6849-ADD offers these features:

1. Improves the effectiveness of aqueous degreasers on oily soils, such as paraffinic or iso-paraffinic based metal working fluids
2. Readily soluble in aqueous degreaser solutions
3. Used at low concentrations (0.25 to 1% by volume)
4. Nonflammable (per DOT definition)

USE INSTRUCTIONS:

Application: Turco 6849-ADD may be added to aqueous degreaser tanks at make-up or during the useful life of the tank. If it is known or expected that parts contaminated with difficult oily soils will be processed, it is preferable to add 0.5% Turco 6849-ADD at the time of tank make-up or recharge. If the tank workload is exceptionally heavy, or if heavily soiled parts are to be cleaned, it may be necessary to add more, up to about 1%. As the tank is used, it may be necessary to add more additive as it is depleted by drag-out or tied up by soil loading.

DISPOSAL INFORMATION:

Dispose of spent solution per local, state and regional regulations. Refer to your TURCO MATERIAL SAFETY DATA SHEET for additional disposal information.

CAUTION! May cause irritation to skin and eyes. May be harmful if swallowed.

TURCO 6849-ADD contains surfactants and high flash solvents. Do not spray in closed or confined areas. Use with adequate (equivalent to outdoor) ventilation. Avoid breathing of vapor for prolonged periods of time. Avoid contact with eyes, skin and clothing. Do not take internally.

Protective clothing, such as a chemical face shield or goggles and gloves, apron and boots, made from solvent resistant materials should be worn when handling this product.

Store in closed containers away from excessive heat or direct sunlight.

Before using this product refer to container label and TURCO MATERIAL SAFETY DATA SHEET for additional precautionary, handling and first aid information.

NOTICE:

The above information and recommendations concerning this product are based upon our laboratory tests and field use experience with this or similar products. However, since conditions of actual use are beyond our control, any recommendations or suggestions are made without warranty, express or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage, or injury, direct or consequential, arising out of the use of this product.
