

TURCO[®] 6906

LIQUID ALKALINE CLEANER

DESCRIPTION:

TURCO 6906 is a clear liquid alkaline cleaner formulated to remove shop soils, marking inks, cosmoline, grease and lube oils from ferrous and nonferrous alloys. TURCO 6906 replaces solvent vapor degreasing fluids with an effective aqueous cleaner. The costs and hazards normally associated with chlorinated solvent cleaning are thereby greatly reduced.

FEATURES:

TURCO 6906 offers these features:

1. No HAPs
2. No VOCs
3. Does not contain chromates, chlorides or sulfur compounds
4. Passes Boeing D6-17487 including sandwich corrosion

USE INSTRUCTIONS:

Tanks: Tanks and associated equipment may be fabricated from mild steel or stainless steel.

Add TURCO 6906 at 5 to 30% by volume to water, for immersion. Operate solution from 50° to 85°C, with air or mechanical agitation.

Rinsing: Rinse with hot or cold water. Warm water is preferred.

CONTROL:

A laboratory control procedure is available on request.

DISPOSAL INFORMATION:

Dispose of spent solution per local, state and regional regulations. Refer to TURCO MATERIAL SAFETY DATA SHEET for additional disposal information.

CAUTION!

TURCO 6906 is considered to be a relatively non-hazardous industrial cleaner. However, as in the case of any chemical compound, avoid contact with eyes, skin and clothing. Do not take internally. Use with adequate (equivalent to outdoor) ventilation.

Protective clothing, such as a chemical face shield or goggles and gloves, boots and apron made from alkali-resistant materials, should be worn by using personnel. A NIOSH-approved respirator equipped with a mechanical filter should be worn for mist conditions.

Store in closed containers away from excessive heat or direct sunlight.

Before using this product refer to container label and TURCO MATERIAL SAFETY DATA SHEET for additional precautionary, handling and first aid information.

NOTICE:

The above information and recommendations concerning this product are based upon our laboratory tests and field use experience with this or similar products. However, since conditions of actual use are beyond our control, any recommendations or suggestions are made without warranty, express or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage, or injury, direct or consequential, arising out of the use of this product.
